

# Crumb, Shoegazer

Stop trying to persuade, I did it to myself  
Nonsense talk of better days, I'm so sure  
I'm a pessimist. Then I'll be prepared for my  
inevitable shot and miss

I could have been  
beautiful, happy, and free  
I could have been  
but that just wouldn't have been me

I know I could find the girl of my dreams  
If only I could get to sleep. get to sleep, get to sleep

What if I was wrong about, everything, everything  
It all make sense when I'm gone  
What if I was wrong about everything  
All those times you sighed and wished me, dead

And the saddest part is  
the saddest part is  
the saddest part is

I did it to myself  
I did it to myself  
I did it to myself  
myself, my

What if I was wrong about, everything, everything  
It all make sense when I'm gone  
What if I was wrong about everything  
All those times you sighed and wished me, dead

Be careful what you wish for  
Be careful what you wish for
