

Crush 40, Dangerous Ground

[Verse 1]

It's time to get ready to go
It's time to party down again
We can go for it all
We know you think we're crazy

[Refrain 1]

We're on dangerous ground, but
Once we start, we can never ever stop

[Verse 2]

Who is the fool this time?
You're gonna set our hearts on fire
We can push for the top
We show you how to play the game

[Refrain 2]

Watch out, our aim is true
Step back, you, it's our turn to fly

[Repeat Verse 1]

[Repeat Refrain 1]
