

Crush 40, Into The Wind

If you wanna make it
You've gotta give 'em all
Lay it all on the line
You wonder why good things
Never come easy
Don't stop for anything

Don't give up
Keep the fire, keep the faith
Your life is in your hands
Don't you think that
It's time you take a chance?
'Cause you're gonna have to face it

Start you up, down the road you go
Hang on to your dreams, yeah
Cruising down to the paradise
Turn the car into the wind, yeah
Into the wind

You've got to fight
To keep sight of your dreams
Keep your hands on the wheel

Don't give in
You have the strength to get over
You better stand up
There is a light
Still shining on you
Fair wind is blowing to your way

Start you up, down the road you go
Hang on to your dreams, yeah
Cruising down to the paradise
Turn the car into the wind, yeah

You're much too serious
Let's steal away, blow your mind
That's an easy thing to say
You must take a step

Start you up, down the road you go
Hang on to your dreams, yeah
Cruising down to the paradise
Turn the car into the wind, yeah

Cruising down to the paradise
Turn your car into the wind
