

Crush 40, What Im Made Of

I don't care what you're thinking
As you turn to me
'Cause what I have in my two hands
Is enough to set me free

I can fight the feeling
To resist it over time
But when it's just too much to take
You sneak up from behind

[pre chorus 1]
Is it me
You say you're looking for
Let me show you who I am
And what I'm here for

[chorus]
Try to reach inside of me
Try to drain my energy
Let me show you just what I'm made of

Simple curiosity
Tries to take a bite of me
Let me show you just what I'm made of
Now

Like a million faces
I've recognized them all
And one by one they all become
A number as they fall

In the face of reason
I can take no more
And one by one they all become
A black mark on the floor

[pre chorus 2]
Is it me
You say, you're looking for?

Let me show you who I am
And what I have in store

[chorus]
You can't take another life long try
You can't take another try

[chorus x 2]
