

Crushead, Crushkids

I'm sitting here since half an hour now
But i think i can't find any word to tell
You people out there how grateful we are
For your support and patience you bring to us all
This is a song for you what else can we do
Cause without you guys there wouldn't be no show
We thank you for every prayer that's send
May this history take no end

Listen now i got some words to say
So i move to the music in a different kind of way
I want you all to lift your hands up high
Shake the room everybody in the place tonight

This words can't express what you mean to us
But i think you understand that this words aren't lost
The reason why we are still here is you
God bless you for all that you do
This is a song for you what else can we do
Cause without you guys there wouldn't be no show
We thank you for every prayer that's send
May this history take no end

Listen now...

Crushkids in the house
Make this tower fall
Stand here side by side
Everybody in the place tonight

Listen now...
