

# Crushead, Glorify

You`re raising the veil  
we taste your righteousness and honour  
you gave your son for us  
to take our sins away  
hail be to the cross  
we glorify you

we glorify you  
you catch us when we fall

when we lie face to ground  
when demons try to take our souls  
you lift us up again  
and let us see right up to you  
you shed your blood for us  
and kick the devil in the ass  
all hail be to the cross  
we glorify you

we glorify you ...

our father thou art in heaven  
hallowed be thy name  
thy kingdom come  
thy will be done  
on earth as it is in heaven  
give us this day our daily bread  
and forgive us our debts  
as we forgive our debtors  
and lead us not into temptation  
but deliver us from evil  
cause thine is the kingdom  
and the power and the glory  
forever and ever  
amen

we glorify you ...
