

Crushead, God

do you see the man who's standing
outside at the door
the children are laughing at him
with his fingers he writes
some words on the ground
and on every wall
the name of the only one
and some scared words before
he came into this world
to take the "our" sins away
he saved us from the one dead
and burning in the hell
i know he will come back
wait until this day
do you believe this
i believe it all

release me jesus christ
save me oh my god
reveal yourself to me
give me strength to carry on
