

# Cryhavoc, Wolfdance

Night is still we wait the moment  
to start this ceremony  
'cause this is the point  
we always wanted to reach  
to hear a hollow voice  
of your previous preach...

We howl you we observe the rite  
We howl you from your precious cradle  
wolfdance, wolfdance... lead us to the  
We howl you we observe the rite  
We howl you from your precious cradle  
wolfdance, wolfdance... lead us to the dance

Night is still, it starts soon  
the circle is full  
to you mother moon  
we've gathered here  
to see your face  
We have burnt the fire  
in this holy place

We are ready to see your whores  
We are ready to feel your presence  
'cause this is the point  
we always wanted to reach...  
to hear a hollow voice  
of your precious preach.....SAATANA!

We howl you we observe the rite  
We howl you from your precious cradle  
wolfdance... lead us to the  
We howl you we observe the rite  
We howl you from your precious cradle  
wolfdance... lead us to the trance
