

# Cryptal Darkness, Always, Forever

i stand alone in the darkness  
the winter of my life came so fast  
memories go back to childhood  
to days i still recall  
oh, how happy i was then  
there was no sorrow, there was no pain  
walking through the green fields  
sunshine in my eyes  
im still there everywhere  
im the dust in the wind  
im the star in the northern sky  
never stayed anywhere  
im the wind in the trees  
would you wait for me forever  
im still there everywhere  
im the dust in the wind  
im the star in the northern sky  
never stayed anywhere  
im the wind in the trees  
would you wait for me forever  
would you wait for me forever  
will you wait for me forever
