

Crystal Eyes, Twilight Dreams

Music: Mikael Dahl - Lyrics: Andreas Gtesson

Sandman comes with sleeping dust
And I enter the world of dreams
A chilling place of eternal dusk
Where things are not what they seem

Pre Chorus:
Into deeper sleep , I'm descending
Slowly falling , reality's bending

On gloomy shores under purple sky
Watching shadows that are passing by
Twisted forms beyond comprehension
Is this real , this strange dimension

Pre Chorus:
Into deeper sleep , I'm descending
Falling faster , it's never ending

Chorus:
Twilight dreams
Far beyond imagination
Nightly screams
Journey in twilight dreams

Solo: Dahl - Both - Dahl

Bridge:
World of dreams , a world of wonder
Enchanting realm of fantasies
I'm in to deep , I'm going under
I will never wake , I'm roaming free

Pre Chorus:
Into deepest sleep , I've descended
No longer falling , I am there

Chorus:
Solo: Dahl
