

# Crystal Gayle, Why Have You Left The One You

(Chorus:)

Why have you left the one you left me for?  
Has she heard, like me, that slammin' door?  
Did you leave for good or just get bored?  
Why have you left the one you left me for?

Is she what you wanted  
Or has time changed your mind?  
Has your dream love gone crazy?  
And what brings you here tonight?

(Repeat chorus)

I can see you're hurting  
But I'm not sure if it's real  
How can I really hold you  
When I don't, when I don't know how you feel?

(Repeat chorus)

(Bridge:)  
Okay, come on in  
You be my lover, I'll be your friend  
You don't have to tell me  
And I won't ask again

(Repeat chorus 2x)

Why have you left the one you left me for?  
Why have you left the one you left me for?
