Feel holiness  
The chatty water. Kiss the teasing wind  
Reach and inspire I know  
Where is (it) coming from? Surely, this dear feeling  
(Its) born before. (I) was knowing (it's) like a spirit baby

\*1 Had a date with you since the time we was separating  
Love it. Lovely telepathy love each other

In the distant street, even if it's surely OK to be born  
From a long time ago, we're destined I know

Strange strings are being linked to us  
In tendencies like this, it's been decided that (we) surround each other

\*2 Where do I go with you if you go anywhere?  
Believe it. Our telepathy resounds each other

\*1, \*2 repeat

pa pa ta ta ta.....u ki a.....
