

Crystal Kay, Bye My Darling!

Baby boy, you know you broke my heart

It's goodbye, my darling

I don't think I can love you no more

Boy, you're gonna pay for this, you know

It's goodbye, my love

I got it I know it
Useless lies

heaven's doorknock knock
lock lock

you messin with the wrong chick
coz I'm Kuri the cutie making the long hit's
I need a "astromantic gentlemen"
boyfriend
"part 2" Part 10
i'm a hama girl

Baby boy, you know you broke my heart

It's goodbye, my darling

I don't wanna see
Bye Bye Bye My Darling!!

</lyrics>
You made up a fake alibi
that's not possible, you're an idiot that's exposed
You cause disillusionment with those lies!
It seems like you're deceiving me

* If this is the kind of love it is, I don't need it
BABY BOY YOU KNOW YOU BROKE MY HEART.
Even if I love you, I'm not loved
It's good Bye My Darling!!

You're an idiot, what are you saying? You're the worst!
I don't think I can love you no more like before...
I'm really at my limit!
No one is fooled by those lies

If this is the kind of love it is, I don't need it
BOY YOU'RE GONNA PAY FOR THIS YOU KNOW.
You cry, shout, apologize
It's good Bye My Love!!!

It's really simple, I got it, I know it
The useless lies are useless, aren't they?

Even if you knock, knock at the limit of heaven's door
It's lock, lock
I'll block your calls too
You're messin with the wrong chick
Coz I'm Kuri, the cutie making the long hit's
I need a "astromantic gentleman"
A boyfriend who will love me
It's not "Part 2," it's part 10
I'm a Hama-gal
Don't fuck around with me!!

You're gonna get punished!
Because you deceived me with those lies

* repeat

I don't need this love anymore
I can't believe this jerk
I don't want to see your pitiful face, so
Bye Bye Bye My Darling!!
