==Translation== <lyrics&gt; Monday, Friday I can't see you in front of me Downstairs at school, you're going to discover the sound of my heart

(My breath is funny) we pass each other by (Suddenly, coincidentally) we (in slow motion) disappear (I always continued to look) for your figure

Stop my quivering heart right now if you're here (My Guardian Angel)
I don't want to regret it, so
I want the courage to be able to take a step forward

(Something seems to change) it's like I woke up I (was asked by my mom)
(The fairytale ends) it's time already
I knew (I was born as a woman)

\* What are you doing around this time?
If my wish is granted [you're] My Guardian Baby Doubt, dreams, sleepless days-I want to pass them by someday & Doubt, tell you Stop my quivering heart and protect me if you're by my side, My Guardian Angel I can't forget, so
I'll pass this night & Doubt Stop my Guardian Strong

I know (I know that)
It's true, right? that you noticed my feelings
Don't be mean, ok? Don't turn away
Tell me please, what should I do?
(Don't turn back away from baby) I don't know
My love just grows
