

# Crystal Kay, Help Me Out

Everyday  
Emptiness

Everybody needs somebody to hold on to

\*1 heartbeat  
baby can you help me out?  
I'm so into you  
Can you help me out...

Every night  
On my mind  
'Cause of you

I can't help it

\*2 I can't hide my feelings  
baby can you help me out?  
I think I'm in love  
Can you help me out...

my heart  
shining so bright  
baby

\*1, \*2 repeat  
&lt;/lyrics&gt;
