

Crystal Kay, History

I tried and cried
? good-bye your lies

You are history
alone too long
so wrong I'm gone
History

It's 3am
... never again

I tried and cried
good-bye your lies

We are history
alone too long
so wrong I'm gone
History

It's been more than 4 weeks
(I can not reach you baby)
... nobody knows

you broke my heart

There ain't no way you gonna break me down...
Cause it ain't raining no more,
(i can feel the sun rising)
There ain't nobody that can stop me now
Cause I'm fine yeah I'm brand new

I tried and cried
? good-bye your lies

You are history
alone too long
so wrong I'm gone
History
