

Crystal Kay, I Can't Wait

uh i like it yeah i like it
uh you like it i know you like it
if you really want it come and get it get it
boy i know you want it come and come and get it
uh i like it yeah i like it
uh you want it you really want it
if you really want it come and get it get it
boy i know you want it come and come and get it

we both know that were enjoying this game
dont start to shy away you know you want it bad like i do

*if you catch me boy then its
satisfaction guaranteed
but under one condition
just treat me right
dont run and break my heart
theres no warranty boy you gettin no second chances with me
do it right the first time around
youll get all my lovin youll see

uh i like it yeah i like it
uh you like it i know you like it
if you really want it come and get it get it
boy i know you want it come and come and get it
uh i like it yeah i like it
uh you want it you really want it
if you really want it come and get it get it
boy i know you want it come and come and get it

sometimes I just cant help it baby
I just wanna be selfish baby
but whatever I do youre gonna love it!

*Repeat

we both know that were enjoying this game
dont start to shy away you know you want to bad like i do
