

Crystal Lewis, Gods Been Good To Me

Dont always say the right things,
boy i try, dont always live my life the right way.
but God is faithful to forgive me when i fail or fall
i am unworthy of it all still he keeps on givin

Chorus:

Gods been good to me oh Gods always been good(repeat 2x)
my God has givin me more than ive ever dreamed

A precious family and friends who care for me
how could he love me so oh that ill never know
i am unworthy of it all still he keeps on givin to me

repeat chorus(2x)
