

Crystal Lewis, Lonely

copyright Brian Ray

My soul, my soul
Watch over me
My Father, my Father
If it's possible let this pass from me
In your deepest plan I'll surely stand
It's not how I feel but oh do Thy will
I have asked You, I have asked You, I have asked You again
The hour is at hand for the Son of man

Lonely, was the hour
Lonely, you made it through
Hallelujah!
Lonely, was the hour
Lonely, you made it through
Hallelujah!

I have always found that your love
Would be enough for me
I have always found that your love
Would be enough for me D G It will be, it will be
It must happen this way
Everyday, everyday
I would teach and you would let me stay
All my friends this time have left my side
It had happened then to prove the words of other men
I will tell you, I will tell you, I will tell you again
You will see the Son of Man at the right hand

Lonely, was the hour
Lonely, you made it through
Hallelujah!
Lonely, was the hour
Lonely, you made it through
Hallelujah!

I have always found that your love
Would be enough for me
I have always found that your love
Would be enough for me

Lonely, was the hour
Lonely, you made it through
Hallelujah!
Lonely, was the hour
Lonely, you made it through
Hallelujah!

I have always found that your love
Would be enough for me
I have always found that your love
Would be enough for me
