

Crystal Lewis, One More Heart

copyright Stephen Crumbacher, Bill Baumgart

Wanting for so long to let love in
The notion almost left behind
But here I am with a longing inside
Opened up only to find

(CHORUS)

There's room for one more heart
To beat inside my own
So come in and make yourself at home
There's room to take a chance
On one more brand new start
There's room for one more heart

Lonliness had tossed within
An ocean of unending time
But there you are with your arms opened wide
Waiting for our love to shine

(CHORUS)

When you arrived like an angel from afar
There was room for one more heart
In the shape of everything you are

(CHORUS)
