

# Crystal Lewis, Only Fools

Only fools  
follow gold  
only wise men know  
I'm no fool  
You've changed my point of view

To be kind is a quality  
That I richly desire  
It is better  
to be poor than a liar

Chorus:  
I no longer see things controlling me  
You have spoken, I have listened  
Only fools believe in only what they see  
the wise are rich indeed

What a friend we have in Jesus  
He hears all our cries  
If you listen  
you'll hear him crying too

Repeat chorus

Only fools follow gold  
only wise men know  
I'm no fool  
you've changed my point of view

Repeat chorus 2x
