

Crystal Lewis, The Beauty Of The Cross

King of my life I crown You now
You're the ruler of my heart
I will wear it loud
I will tell the whole world about You
You died in my place
You suffered all for me
Just so I could live
You were broken and bruised
And I will tell the whole world about You

The cross, stained by blood
The beauty of the cross
Healing for the lost
The cross, stained by blood
The beauty of the cross
Healing for the lost
The cross

King of my life I crown You now
You're healer I've longed for
Now of heaven I'm sure
And I will tell the whole world about You

Thorns on Your brow
Stripes on Your back
So innocent, You did it all for me
Nails in Your hands
Nails in Your feet
Sword in Your side, You did it all for me
You paid the cost
That's the beauty of the cross
