

Crystal Lewis, What A Fool I've Been

Lonely days gone by without you in my life
even though I've tried so hard I
don't forget what you learned along the way
talk to him and keep him close to you
I've lived dangerously
not noticing at all what I quickly could become so soon
He is always there
He's always been around
you will see Him when you change your view

What a fool I've been
what a fool I've been
just to think that I
could live my life
like time is on my side ohh, yeah, yeah, yeah, yeah

I could not see through all the pain I caused
I was lost for my sin blinded me
we serve a great God
for when we turn away
He remains so faithfully close to you

What a fool I've been
what a fool I've been
just to think that I
could live my life
like I would never die

(rapping)Yeah, Oh, etc.

what a fool I've been
what a fool I've been
what a fool I've been
what a fool I've been
