

# Crystal Lewis, You Didn't Have To Do It

Chorus

I'll never know why  
Why you did what you did  
You didn't have to die  
But you did  
You hung on the cross  
So that I wouldn't be lost  
You took my place  
Now You're pleadin' my case  
You didn't have to do it  
Oh, but I'm glad you did  
You didn't have to do it  
But I'm glad you did

You didn't have to suffer  
You didn't have to give your life  
You could have come down from the cross  
But you chose to die  
You said "Father forgive them  
For they know not what they do"  
An when they pierced Your side  
You just hung bled and died

Repeat Chorus

You didn't have to come down  
From the Father's side  
But because of Your love for me  
You made the sacrifice  
You knew no sin  
But became sin for me  
An all who believe  
Can live eternally

Repeat Chorus

You didn't have to do it  
But I'm glad you did  
You could have come down from the cross  
Then my soul would be lost  
But You chose to stay  
And Your love made a way
