

Crystal Lewis, You'll Be Back For Me

copyright Brian Ray

You'll be back for me
You'll be back for me
I will be ready, waiting for your return

Look He's coming back with the clouds
I can hear the trumpet sound
An unmistakable sound
Shining in Your glory

Even those who pierced Your side will see
Your majesty, power, authority
An unmistakable sound
Shining in Your glory

You'll be back for me
You'll be back for me
I will be ready, waiting for your return

Here He comes to claim His chosen bride
All the redeemed and the purified
An unmistakable sound
Shining in Your glory

There will be a thousand years of peace
All the pain, sorry and sin will cease
An unmistakable sound
Shining in Your glory

You'll be back for me
You'll be back for me
I will be ready, waiting for your return
