

# Crystal Waters, 100 Pure Love

It's 12 past midnight, don't close your eyes  
Your soul's half alive, and I'll be by your side  
I've come to take you there, show you how to care  
Just be aware, that you'll have to share

1-I want your love, I want it tonight  
I'm taking your heart, so don't you fight  
I'll be your answer, I'll be your wish  
I'll be your fantasy, your favorite dish

2-From the back to the middle and around again  
I'm gonna be there til the end  
100% pure love  
(repeat 2)

You saw a brand new high, thought that you could fly  
Did I hear you cry, or did you like the ride  
You call my name again, no it's not a sin  
I'll show you how to win, and where I've been  
(rpt 1, 2, 2, 2)

You'll never have to run away  
you'll always have a friend to play  
You'll never go out on your own  
In me you will find a home, home
