

Crystal Waters, Destination Unknown

<!-- Destination unknown (known known known known known)
(instrumental....)

I left my job, my boss, my car and my home,
I'm leaving for a destination I still don't know
Somewhere nobody must have duties at all.
And if you like this you can follow me so let's go,

Follow me and let's go
To the place where we belong
And leave our troubles at home
Come with me we can go
To a paradise of love and joy,
A destination unknown.

Now I won't feel those heavy shoulders nomore
my life got better now I finally enjoy
yes all the people wanna come here and so...?
come on and join us you can do that now let's go

Follow me and let's go
To the place where we belong
And leave our troubles at home
Come with me we can go
To a paradise of love and joy,
A destination unknown (known known known known unknown.)

Destination unknown.
