

CSS, Music is my boyfriend

From all the drugs the one I like more is music
From all the junks the one I need more is music
From all the boys the one I take home is music
From all the ladies the one I kiss is music (muaa!)

Music is my boyfriend
Music is my girlfriend
Music is my dead end
Music is my imaginary friend
Music is my brother
Music is my great-grand-daughter
Music is my sister
Music is my favorite mistress

From all the shit the one I gotta buy is music
From all the jobs the one I choose is music
From all the drinks the one I get drunk is music
From all the bitches the one I wannabe is music

Music is my beach house
Music is my hometown
Music is my kingsize bed
Music is where I meet my friends
Music is my hot hot bath
Music is my hot hot sex
Music is my back rub
Music is where I'd like you to touch
