Culcha Candela, Chant As One

"Refrain:"

Culcha we have and culcha we gonna burn all we need a fi me chant as one spread it inna europe all over da world unity a fi me vibration you know seh culcha we have and culcha we spread all we need a fi me chant as one move it up and bring it on same way

"'Larsito'''

never ever abuse a good friendship always better if you know who you're with cheese and cheddar less important if you have a relation to trust in to put your heart in without integrity there is no unity without love and harmony we won't move far you will see you will see

"'Mr. Reedoo"'

see so much hate inna di street everyday so many people suffer and get done out there just because some can't accept that in dem brain love is di only thing that can protect us from all evil we have to carry it with us everyday show it inna di street and your life same way all a di people gwaan give you back what you need love is di only thing we need fi reach unity

"REFRAIN"

"Itchyban"

u gotta learn u zum n zum i-t-y das steht fr unity klar nenn doch alles babylon doch dann bist ja du wie diejenigen die uns belstigen die ewig gestrigen die ihre meinung so schnell festlegen

"'Mr. Reedoo"

all crew

ready fi come in as cant as one we gwaan make it let go your prejudices and nah fake it if da world asleep we need someone come wake it teach bad mind conscious living is for me and you

"Itchyban"

test if when u feel like havin' enuff energy test and then u see if u the man u ought to be think again and check yourself for brain activity doublecheck philosophy of fightin' unity

"Mr. Reedoo"

when man have good advice then we take it if we give someone a promise we nah break it life is more than a party still we shake it on

"REFRAIN"

"'Mr. Reedoo"' culcha sing song together feel di vibration of peace and unity come together inna ona harmony
