Culcha Candela, Revolution

sittin deh in da city - with millions of people around me thinkin about our so called civilized problems - erase our time and inspiration all people keep on forgetting to think about - what divides right from wrong we are conqueror - and we claim our rights back rise and shine and we are bon fire - we are spreadin di vibe nah commit no crime seh you are conqueror - and you enslave mankind for a long long time and you are bon fire - with your machine and gun but we don't wanna go further Ref:

take time for your revolution - excuse no more it's time fi action gunshottattatta a buss for to long - always remember united we strong take time for your revolution - time a di warlord almost done

nuff a dem a fear di new generation - so we shout it again - united we strong some politician that we nah need no longer longer - dem carry on and play good against bad man l long time too many years fi di most of mankind - blow dem house and mind - dem nah care fi di pro only care bout power get stronger - dem a get in position fi di final round everybody want wealth and ressource fi di future Ref:

take time for your revolution - excuse no more it's time fi action gunshottattatta a buss for to long - always remember united we strong take time for your revolution - time a di warlord almost done

nuff a dem a fear di new generation - so we shout it again - united we strong dem been killing lots of innocent children - dem a spend di million to drop dem bombs dem send forces to kill for ressources - dem don't mind to worship who got what dem want blow taliban inna afghanistan - nine eleven give dem right do done dem friends from a long right now di same man claim back from dem land - civilians suffer while peace never come in iraq dem build another vietnam - kill saddam fi di oil dem a want

tryin fi win but them can't understand - people don't want this yah bomboclaat babylon dem no want no military control - wanna break free and make dem own rules take responsibility for what dem gwaan do - don't wanna go to no american highschool Ref:

take time for your revolution - excuse no more it's time fi action

gunshottattatta a buss for to long - always remember united we strong

take time for your revolution - time a di warlord almost done

nuff a dem a fear di new generation - so we shout it again - united we strong

after a decade of war amd crime now people it is di time - to realize and follow di sign now hear this rhyme - this is a song fi all mankind

to liberate them hearts and mind now - never stop trying

always be aware that we are conqueror - and we a bon fire
