

Cult Of Luna, The Revelation Embodied

A time lost to the sick crowd of a new demonic realm.
Oceans of blood have drowned all humanity.
The stained ground is smoking of [...] burning flesh.
Still attached to human bones. The skulls screaming in pain.

A time when the curse is alive. The horseman has arrived. Under the hoofs has the human race tre

The abyss, wide open gap
Set loose the army of darkness
Over this forsaken earth
Day and night the apocalypse rules.

The revelation embodied
