

# Culture Beat, Faith in Your Heart

one tree in the sun  
one in the wind  
one will grow  
one will bend  
the slightest breeze  
don't you feel the chill  
as the smallest doubt  
becomes a hill

Chorus:

too tall to climb  
too hard to win  
the freedom of your mind depends  
on the faith in your heart  
know where to turn  
when you need help  
a love supreme  
within yourself  
once I was down  
someone believed  
don't let this become  
a mountain at your feet  
Chorus
