Ah - yeah yeah

Wake me up, the skapter
Party startin'

Boogie Woogie Bam,
thats why whe love it
We all are dancin' the bam bam Boogie Woogie loud

Baby what someone are you thinking about?!
People are happy and the music is loud
Don't be afraid cause ive got something for you
So you'll wait for it,
wait for it,
just let us do

We're having fun and the feeling is right
We're gonna mess up the night..

Ah - yeah yeah

Wake me up, the skapter
Party startin'
everybody is movin' around..
Boogie Woogie Bam,
thats why whe love it
We all are dancin' the bam bam Boogie Woogie..

One - Never waist to hip and stump with your feet
Two - You all clap your hands and move to the beat
Three - Snap your fingers, make the sound of a dream
Let us jump to the funk and we'll do it again

We're having fun and the feeling is right
We're gonna mess up the night..

Wake me up the skapter
Party startin'
everybody is movin' around..
Boogie Woogie Bam,
thats why whe love it
We all are dancin' the bam bam Boogie Woogie..

Wake me on the skapter
Party startin'

everybody is movin' around..
Boogie Woogie Bam,
thats why whe love it
We all are dancin' the bam bam Boogie Woogie loud
