

Culture Club, Goid Thank You Woman

Woman, thank you thank you
God thank you woman
What we have is something special
Something quite unique
What we have should last forever
Heaven at my feet
I would give the world to you
Or anything you need
There is nothing I won't do
Just promise that you'll never leave
God thank you woman
Thank you thank you
For the joy that you give to me
God thank you woman
Thank you thank you
For the joy that you give to me
In this world you are my pleasure
No one can compete
Happiness is hard to measure
Woman you're so sweet
I would give my heart to you
You're the air I breathe
There is nothing I won't do
Just promise that you'll never leave
God thank you woman
Thank you thank you
For the joy that you give to me
God thank you woman
Thank you thank you
For the joy that you give to me
When I'm alone at night I think of love
Well baby that's alright but it ain't enough
Won't you call me if you need me
I have loved
I would give the world to you
Or anything you need
Oh God thank you woman
Thank you thank you
For the joy that you give to me
