

Cultus Sanguine, Shadows' Blood

I've alred among the Ages
I've tasted the Smell
supreme
revenge against the time

Mighty Shadow's blood
in my veins
I elevate my self
so high
I rule on will
Mighty Shadow's blood
in my veins
I dominate
I rise so high
I lead through hate
and time

The leading mark
on my skin
the sign of an higher will
I await my truth
to be revealed
I'm the one

Mighty Shadow's blood
in my veins
I elevate my self
so high
I rule on will
Mighty Shadow's blood
in my veins
I dominate
I rise so high
I lead through hate
and time
