Cultus Sanguine, Shadows' Blood

I'v alred among the Ages I'v tasted the Smell supreme revenge against the time

Mighty Shadow's blood in my veins
I elevate my self so high
I rule on will
Mighty Shadow's blood in my veins
I dominate
I rise so high
I lead through hate and time

The leading mark on my skin the sign of an higher will I await my truth to be revealed I'm the one

Mighty Shadow's blood in my veins
I elevate my self so high
I rule on will
Mighty Shadow's blood in my veins
I dominate
I rise so high
I lead through hate and time
