

# Cumchrist, Jesus Sold Me A Bunk Eighth

Jesus had some bunk weed and he sold it with a smile  
All seeds and sticks, it looked like leaves - a tiny little pile  
I said, "What the fuck, asshole? This weed is total shit!"  
He grabbed my cash, took off real fast, and flew around a bit  
Hardly ever seen from, he's complete ghetto scum  
Asking me to buy some bunk  
Is he who buys Jesus Christ's horseshit
