

CupcakKe, Marge Simpson

Big pimpin' (Big pimpin')
Big, big pimpin' (Big pimpin')
Big pimpin'
Walk up in the back, limp in'
Big pimpin' (Big pimpin')
Big, big pimpin' (Big pimpin')
Money stack up so tall, look like the hair on Marge Simpson

Marge Simpson /2x
(On, God!)
Marge Simpson, you can call me Marge Simpson
(Yes, yeah!)
Big pimpin', get the money then dip
Money stack up so tall,
Look like the hair on Marge Simpson

Man, why you keep textin' my phone?
Leave me alone
Boy, I do not want your dick
I see that nigga, he thirsty as fuck, I ain't givin' him shit
Better swallow his spit
All that lurkin' on my motherfuckin' page
'till it's oops, I ain't mean to like that pic
Took her to Victoria Secrets, and bought him some bras
Since he love to act like a bitch (cha cha cha!)
