

Curious Lil' Jay, Rockstar

Yo I'm hitting it right from the big KY,
But there ain't no contry in this guy,
The way I put it down, the way I flow,
The way I put it down I just let go,
If you like my rhymes or not I don't care,
I'll burn you'r house down cuz of a dare,

Thanx to my homies from Rockstar,
I'm writing this rhyme & I'm goin far,
Thanx to my homies from Rockstar,
I'ma spit these rhymes like never before,

I'm new to the game, but I'll find my fame,
It's all good, and there aint no shame,
Just a bunch of groupies and a bunch of whores,
Freakin with me so much I've got bed sores,
I'm hitting it down with my homies Rod and D,
They bust these rhymes just like me,
I got me a chicka-boo on the side,
She's good for more than a ride,

Thanx to my dawgs from Rockstar,
I'm writing this rhyme & I'm goin far,
Thanx to my homies from Rockstar,
I'ma spit these rhymes like never before,

Ya'll laguhed at me and said I was strange,
Now look at me I'm the one with the Range,
Now I laugh at ya'll cuz ya'll the same,
I'm Mr. Biggie all up in the game,
One of these days I'll be puttin' it down,
I'll be puttin' it down in my home town,
When I'm on the mic you call me master,
I'll bust a rhyme so crazy it'll cause a disaster,

Thanx to my homies from Rockstar,
I'm writing this rhyme & I'm goin far,
Thanx to my dawgs from Rockstar,
I'ma spit these rhymes like never before...
