

# Curt Smith, Wonder Child

I don't need no one else  
I get by by myself  
These feelings I will hold inside me  
I listen to my heart  
This world could fall apart  
Could it be that I'm afraid to see the light?

It used to be easy  
Was it all in my mind?

Living like I do. Searching for a clue  
Looking for the wonder child  
One thing I can do is hide this fear and  
Hold on, hold on

I could convince myself  
Don't need no one else  
No reasons why I act this way  
So hard to take sometimes  
I've seen the danger signs  
Caught up inside a world that no one knows

It used to be easy  
Was it all in my mind?

Living like I do. Searching for the truth  
Looking for the wonder child  
One thing I can do is hide this fear and  
Hold on, hold on  
Hold on, hold on

I'm on my own even if I could get near you  
So confused I know that I would walk right by you  
Alone for days, even if I hold on  
So out of phase, even if I hold on  
Even if I hold on

Living like I do. Searching for a clue  
Looking for the wonder child  
One thing I can do is hide this fear and  
Hold on, hold on  
Hold on, hold on

Living like I do. Searching for a clue  
Looking for the wonder child  
One thing I can do is hide this fear and  
Hold on, hold on  
Hold on, hold on  
Living like I do searching for the truth  
Looking for the wonder child  
You've got to hold on, hold on  
Looking for the wonder child  
One thing I can do is hide this fear and  
Hold on, hold on  
Hold on, hold on  
To go on, hold on
