

# Curtis Mayfield, It

They say it's alright  
Say it's alright  
It's alright, have a good time  
Cause it's alright, whoa it's alright

Now we gonna move it slow  
When the lights are low  
When you move it slow  
It feels like more (?)Cause it's alright  
Whoa it's alright

Now listen to the beat  
Kinda tap your feet  
You got soul  
Everybody knows that it's alright  
Whoa it's alright

When you wake up early in the morning  
Feeling sad like so many of us do  
Hold a little soul  
And make life your goal  
And surely something's gotta come to you

And you gotta say it's alright  
Say it's alright  
It's alright, have a good time  
Cause it's alright  
Whoa it's alright

Someday I'll find me a woman  
Who will love me and treat me real nice  
Where my road has got to go (?)My love she will know from morning, noon  
Until the night

And she's gotta say that it's alright  
Say it's alright  
It's alright, have a good time  
Cause it's alright  
Whoa it's alright  
Now listen to the beat  
Kinda tap your feet  
You got soul  
Everybody knows that it's alright  
Whoa it's alright  
You got soul  
Everybody knows that it's alright  
Whoa it's alright
