

Curtis Mayfield, Stoned Out Of My Mind

Baby when I found out you were lying
Playing around and conniving
Undesired tears I was crying
'Cause sugar coated as I was buying

I was just a backseat driver in a car of love
Going wherever you take me
Don't know why I put up with the pain
'Cause no one else can make me

You've got me goingstoned out of my mind

And when you led me to the waters I drank it
But I drank more than I could hold
And you took my mind off my body
And now you want to take my soul

Where can I run?
Where can I hide?
Who can I talk to?
Tell me what more can I do?

You've got me goingstoned out of my mind

Playing around with every guy in town
It's funny I just can't put you down
See my headit's spinning around
Since the day you let me down
