

# Curve, Hell Above Water

I'm never relaxed  
even when I say I am  
I'm always on the alert  
looking for the problem  
this isn't my style  
I flirt with guys  
but they don't get me  
I think I'm ready to kill  
the next person who doesn't fit  
I am all of these things  
I am this and more  
It's hell above the water  
Hell above the water  
I'm the one on command  
look at the state I'm in  
I really fear for my friends  
and all the things they have seen  
I've got no reason to say a thing  
got no reason to say a thing  
cos you don't scare me at all  
no no no no no no  
no no no no no no  
It's hell above the water  
Hell above the water  
Keep your clever mouth shut  
I am all of these things  
I am this and more  
you don't scare me at all
