Curve, Hell Above Water

I'm never relaxed even when I say I am I'm always on the alert looking for the problem this isn't my style I flirt with guys but they don't get me I think I'm ready to kill the next person who doesn't fit I am all of these things I am this and more It's hell above the water Hell above the water I'm the one on command look at the state I'm in I really fear for my friends and all the things they have seen I've got no reason to say a thing got no reason to say a thing cos you don't scare me at all no It's hell above the water Hell above the water Keep your clever mouth shut I am all of these things I am this and more you don't scare me at all
