

Curve, Sandpit

Are we savages, born without hope
Last on these highways, existing to go
Swallowed my pride, gutted me from the inside
Left me in this pool of doubt
Now I don't think I can get out
But you can laugh, you can laugh, you can laugh
'Cause you think that you're better than me
If we are the instigators, of our times
Why do we harmonize then revolutionize our crimes
Down in this sandpit of misbegotten youth
We can show them the songs, the one truth
But you can laugh, you can laugh, you can laugh
'Cause you think that you're better than
You think that you're better than everyone
I'm just trying to do the right thing
I'm just trying to do the right thing
The right thing
Escape to my eyes (repeat 5)
