

# Curved Air, Kids To Blame

What's that fussin' little Lane?  
Aw,they hear you've gone insane  
Callin' kids and pushin' blame  
Police got numbers, but no name

Stop this chain  
Stop this same  
Kids to blame  
Kids to blame

Hold it ,man. It ain't done  
He knows who's right and who is wrong

But kids are wrong,{they}ain't got no rights  
They get the fulls of being on strong

Stop this change  
Stop this same,yeah  
Kids to blame  
Kids to blame

[repeat both choruses numerous times to fade]
