

# Curved Air, Situations

Though I am no longer alone,  
Everybody seems to take my mind away.  
I love you but it isn't as I planned,  
I promise you I've done the best I can.  
Haven't touched any other man,  
Situations seem to have been kind to you.  
I've wished to be beside somebody else,  
But actions are the proof of love, not thoughts.

See what a fool I've been,  
I haven't lived my dream.

Seems that it will be a long time,  
'Fore my mind will take in the reality.  
That life is not as simple as it seems,  
And night's the only place to keep a dream.

Soft green sun color still,  
Warm breeze, high-floating birds,  
Every year has brought more fear.

Younger days seem to be easy,  
Full of fun and things to keep my mind awake.  
But now I have to think for someone else,  
Cannot even think straight for myself.
