

Curved Air, Touch Of Tequila

Oooo...
Oooo...
Oooo...
Oooo...
Oooo...

Lyin' in the sun
Gettin' down, gettin' brown
And I'm loving you
Pictures in the sky
Shadows dance, eagles cry
And I'm loving you
Honeysuckle haste
Even sands, easy breeze
And I'm loving you
My oh my, it's summertime

Never caught the stones
Silver sea, shining foam
And I'm loving you
Always melt away
Lazy waves, drippin' days
And I'm loving you
Lyin' in the sun
Gettin' down, gettin' brown
And I'm loving you
My oh my it's summertime

Oooo...
Oooo...
Oooo...
Oooo...
Oooo...
Haahhhhh...

Love to be in love in summertime

Touch of tequila
Sunshine
Love to be in love in summertime
Touch of tequila
I love to be in love in summertime
Touch of tequila
Sunshine
I love to be in love in summertime
Touch of tequila

Aahhhhhh...

Lyin' in the sun
Gettin' down, gettin' brown
And I'm loving you
Pictures in the sky
Shadows dance, eagles cry
And I'm loving you
Honeysuckle haste
Even sands, easy breeze
And I'm loving you
My oh my, it's summertime

I love to be in love in summertime
Touch of tequila
Sunshine

I love to be in love in summertime
Touch of tequila
I love to be in love in summertime
Touch of tequila
Sunshine
I love to be in love in summertime
Touch of tequila

Aahhhhhh...
