

# Cut Copy, Going Nowhere

I can't think straight  
Help me now before it's too late  
Now what do I care?  
'Cause we're going nowhere  
Going nowhere  
Going nowhere  
Going nowhere  
I can go there  
I can go there

I can't think straight  
Help me now before it's too late  
Now what do I care?  
'Cause we're going nowhere  
Going nowhere  
Going nowhere  
Going nowhere  
Help me!

Going nowhere  
Going nowhere  
Going nowhere  
I can go there  
I can go there  
I can go there
