

# Cut Copy, Need You Now

Hush darling, don't you cry  
Hush darling, don't you cry  
Cause they're never gonna reach you, never gonna reach you

Hush darling, don't you cry  
Hush darling, don't you cry  
Cause they're never gonna reach you, never gonna reach you

In the morning I come down  
In the morning I break down  
But you're never gonna get away  
Gonna get away

I know I'm running baby  
But I need you now  
Said I know we're going crazy  
But I need you now  
I need you now  
To fight somehow  
I know we're running baby  
But I need you now  
I know we're going crazy  
But I need you now  
I need you now  
To fight somehow

There's a beauty in the waking night  
There's a memory waking up  
But it's never gonna reach you  
Never gonna reach you

In the morning I come down  
In the morning I break down  
But you're never gonna get away  
Gonna get away  
Hand touches your body now  
Lips touch as you're falling down  
Run for the last train  
One of them will get you home

I know we're going crazy,  
But I need you now  
I know we're running baby  
But I need you now  
Need you now  
To fight somehow

I know we're going crazy  
But I need you now  
I know we're running baby  
But I need you now  
I need you now  
To fight somehow  
But I need you now  
But I need you now  
Tonight
